VISION & VALUES
Asian Youth Center (AYC) envisions a world where all youth can succeed in school, at work, and in life!

AYC Values are:
- **Passion** - authentic passion for empowering people drives everything AYC does
- **Respect** - AYC treats all stakeholders with cultural competency and respect
- **Integrity** - AYC does the right thing in all the ways we do business
- **Diversity** - AYC values diversity and inclusion because it empowers all stakeholders
- **Equity** - AYC strives to promote equity and social justice for all stakeholders

During the last year, AYC sustained most current programs, grew the Stop Asian Hate Program, and scaled up the Youth & Parent Leadership Development Program (YPLD), which doubled in size. We deeply appreciate the generous support of all of the donors and supporters who made these services possible.

THE AYC MISSION
The Asian Youth Center (AYC) exists to empower low-income, immigrant, and at-risk youth and families, of all communities, to succeed in school, at work, and in life through culturally and linguistically competent education, employment, and social services.

YOUTH & PARENT LEADERSHIP DEVELOPMENT PROGRAM (YPLD)

YPLD is a part of the Dream Allies Network – an organic grassroots effort of Alhambra Unified and Los Angeles Unified School District teachers, students, union activists, parents, and community members to transform public schools to be safe, supportive, and healthy spaces for undocumented, immigrant, and other marginalized groups.

Dream Allies Network partners are National Education Association, Alhambra Teachers Association, United Teachers Los Angeles, Urban Visionaries, and VISTA Boosters in collaboration with both the Alhambra and Los Angeles Unified School Districts. Together we create and maintain Dream Centers at high school campuses where students receive services and resources while engaging in youth empowerment programming to change community conditions.

In 2022, the YPLD Program served 1,211 unduplicated students at the following schools: Alhambra High School, Franklin High School, Lincoln High School, Miguel Contreras Learning Complex, San Gabriel High School, Santee Learning Complex, Valley Oaks Center for Enriched Studies, and Wilson High School.
